

Buy-to-Let for Landlords

Buy to Let has reached new heights of popularity but not all investors can access the mortgage market due to missing some tick-list requirements of high street lenders. Assetz Capital takes a pragmatic approach to such funding, recognising the strength of property security and its rental income as a critical part of the lending decision.

Product benefits

- ✔ Adverse credit, ex-pats and non-UK nationals considered
- ✔ No 6 month rule - a borrower can receive a loan from us even if the vendor hasn't owned the property for 6 months
- ✔ Newbuilds, flats above commercial property, flats over 10 storeys and student accomodation considered
